

Application No. 10/032,437

Applicant Bristor, Joe G.

Primary Examiner Frankie L. Stinson, Art Unit 1746

1746 41
RECEIVED
JUN 02 2004
TC 1700

In response to the last office action, please cancel claims 4 and 5 and please keep the other claims 1-3 and 7-15 that the examining attorney found allowable.

Claim 6 was not mentioned as either allowed or objected to. Please allow this Claim 6 as it is fundamental to the Method that I am applying for.

Assuming same then claims 1-3 and 6-15 would be allowed.

Proposed claims revision is submitted for examiner Stinson's consideration.

Please make note of my new address:
